Table of Contents

- Introduction

- Blocks

Introduction

- This is a bullet point.

- This is a bullet point.
- This point will appear second.

- This is a bullet point.
- This point will appear second.
- And this third.

Figure 1: Caption under the image.

Column 1

This is the first column. You can add text, images, and even blocks here.

Column 2

This is the second column. It's useful for comparing two sets of information or for showing text and an image side by side. you can also cite stuff [1]

Blocks

Basic Blocks

Standard Block
This is a standard block.

Alert Message
This block presents alert message.

An example of typesetting tool
Example: MS Word, LaTeX

Mathematical Environment Blocks

Definition

This is a definition.

Theorem

This is a theorem.

Lemma

This is a proof idea.

Proof.

This is a proof. □

Corollary

This is a corollary

Example

This is an example
